30 July 2009

Dear Mr Maliphant

Portishead to Bristol Railway

We are writing to show our full support and backing for the proposed reinstatement of the railway line from Portishead to Bristol.

Our office is in the centre of Portishead and the railway line would be ideal to allow our staff, customers and suppliers to quickly travel into and back from Bristol.

If we can assist the group with this project in any way please let me know.

Yours sincerely

Vicki White
Director
